

China s Military Modernization (Paperback)

By United States Government

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This section examines China s evolving security perceptions; select inputs to China s military modernization; and current and future capabilities of China s naval, air, missile, and space forces. It concludes with a discussion of the implications of China s military modernization for the United States. The statements and assessments presented here are based on Commission hearings, briefs by U.S. and foreign government officials, consultations with non-governmental experts on China s military, the Commission s fact- finding trip to Asia, and open-source research and analysis.

Reviews

This book is really gripping and interesting. Of course, it is actually perform, still an interesting and amazing literature. You will not truly feel monotony at whenever you want of your time (that's what catalogues are for concerning when you request me).

-- **Claud Schaden**

The book is fantastic and great. I have got read through and i am confident that i will planning to read yet again once again in the foreseeable future. I found out this book from my dad and i recommended this publication to discover.
