In *The Investigators*, circumstances force Special Operations detective Matt Payne and his colleagues into the middle of two major cases simultaneously. With the commission of a brutal crime, an ongoing investigation into a squad of dirty cops suddenly grows ugly, and Payne must track down a key piece of evidence before things become even worse. At the same time, a woman he meets at a party may turn out to be a vital link to a group of urban terrorists, and if he doesn't follow it up now, the lead will disappear.
