Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The With This Is Incorporated the New Zealand Bee Manual Greatly Enlarged, Revised and Mostly Rewritten; Illustrated Australasian Bee Manual and Complete Guide to Modern Bee Culture in the Southern Hemisphere In order not to confuse the novice I have given, in all ordinary matters, full details of such methods as I have adopted and consider the best; but in special cases, where there is some divergence of opinion, I have also described the plans recommended by some of the leading apiarists of the day, and in every case I have sought to bring the accounts of improvements in the art down to the latest date. I have spared no trouble or expense in procuring the numerous illustrations which appeared to me to be necessary for the completeness of the work and notwithstanding the necessary difference in price of the book as compared with the former editions, I trust it may be considered in that respect, as well as in regard to the style of bring ing it out, as creditable to the publishing trade of New Zealand.
