Proceeding therefore after the model of a Tyburn biography, which being an ancient as well as popular form is likely to be the best, --we come after birth and parentage to education. That the world from Babel was scattered into divers tongues, we need not other proof, says a grave and good author, than as Diogenes proved that there is motion, --by walking;--so we may see the confusion of languages by our confused speaking. Once all the earth was of one tongne, one speech and one consent; for they all spake in the holy tongue wherein the world was created in the beginning. But pro peccato dissentionis Immanar (as saith St. Austin,)--for the sin of men disagreeing, --not only different dispositions but also different languages came into the world.--They came to Babel with a disagreeing agreement; and they came away punished with a...

Reviews

The best pdf i possibly go through. it was writtern quite properly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Miss Sienna Fay Jr.

Absolutely essential go through publication. This can be for all who statte there was not a worthy of looking at. Its been printed in an remarkably basic way and it is just right after i finished reading this book through which in fact altered me, modify the way i think.
