

Shadows of the Workhouse: The Drama of Life in Postwar London

Filesize: 9.37 MB

Reviews

This type of ebook is every little thing and made me looking ahead of time and more. It is among the most amazing book i actually have read through. Its been designed in an exceptionally simple way in fact it is simply soon after i finished reading through this pdf in which actually transformed me, change the way i believe.

Orion Publishing Co. Paperback. Book Condition: new. BRAND NEW, Shadows of the Workhouse: The Drama of Life in Postwar London, Jennifer Worth, The inspiration for the second series of the BBC's phenomenally popular CALL THE MIDWIFE, starring Miranda Hart. In this follow up to CALL THE MIDWIFE, Jennifer Worth, a midwife working in the docklands area of East London in the 1950s tells more stories about the people she encountered. There's Jane, who cleaned and generally helped out at Nonnatus House - she was taken to the workhouse as a baby and was allegedly the illegitimate daughter of an aristocrat. Peggy and Frank's parents both died within six months of one another and the children were left destitute. At the time, there was no other option for them but the workhouse. The Reverend Thornton-Appleby-Thorton, a missionary in Africa, visits the Nonnatus nuns and Sister Julienne acts as matchmaker. And Sister Monica Joan, the eccentric ninety-year-old nun, is accused of shoplifting some small items from the local market. She is let off with a warning, but then Jennifer finds stolen jewels from Hatton Garden in the nun's room. These stories give a fascinating insight into the resilience and spirit that enabled ordinary people to overcome their difficulties.
