

Twenty Years a-Growing

By Maurice O'Sullivan, Moya Llewellyn Davies, George Thomson, E. M. Forster

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Twenty Years a-Growing, Maurice O'Sullivan, Moya Llewellyn Davies, George Thomson, E. M. Forster, Maurice O'Sullivan was born on the Great Blasket in 1904, and 'Twenty Years A-Growing' tells the story of his youth and of a way of life which belonged to the Middle Ages. He wrote for his own pleasure and for the entertainment of his friends, without any thought of a wider public; his style is derived from folktales which he heard from his grandfather and sharpened by his own lively imagination. The Blasket Islands are three miles off Irelands Dingle Peninsula. Until their evacuation just after the Second World War, the lives of the 150 or so Blasket Islanders had remained unchanged for centuries. A rich oral tradition of story-telling, poetry, and folktales kept alive the legends and history of the islands, and has made their literature famous throughout the world. The 7 Blasket Island books published by OUP contain memoirs and reminiscences from within this literary tradition, evoking a way of life which has now vanished.

Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Jensen Bins**

This published pdf is fantastic. It really is really fascinating through studying time period. I am just very happy to inform you that this is actually the greatest publication I actually have read within my own lifestyle and could be the best ebook for actually.
