Brand New Book ***** Print on Demand *****.The story of A Paradox in Retrograde is set in a far distant future, on island city state Baldur. Balanced on the edge of a decimated world, Baldur is governed by the power of myth and dependent upon the latent technology of a previous lost civilization. An unfolding chain of events soon leads to a discovery of a coming catastrophe. They must deal with a mysterious discovery of strange objects, and the remains of a crashed alien vessel high in the hills above the city. Amidst this a mysterious stranger named Ananda appears suddenly out of the sea. This stranger suffering from some deficit of memory knows little more than his name. From the frozen depths of space a dark companion to the Earth once again wanders into the realm of the inner planets. From this nemesis planet known as Nibaru, a great fleet of savage warriors freed from the icy embrace of the nether regions threatens again to cross the gulf of space and descend upon the fragile Earth. Once there they plan to feed in a cannibalistic frenzy, to devour the precious life force of their human host. Through a sacred religious rite known as the rite of combat Nibaru s warrior caste must first risk all to prove themselves worthy before Hector the Immortal King of the Earth-men. Meanwhile on Earth far more familiar to our own, scientists using condemned prisoners are conducting experiments search for the elusive seat of the mind. Through their experiments using artificial intelligence to map the quantum topography of consciousness they unwittingly unleash within the fabric of reality a series of breaches to the boundaries that constrain it, creating a paradox. As...
