Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Eagle, 1967, Vol. 21 Tape recorded lectures which had been course material in the past were now used for supplementary lessons. After students had punched out their data cards on an automatic key punch in the registrar's office, they spent four 4 hour laboratory periods at Argonne running them off. Dr. Rose Carney, head of the department wants to offer every math course every year. Modern algebra and linear algebra are now offered every other year. These courses alternate with modern geometry and probability and statistics. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
