Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

LETS FORM A CLUB ADVENTURES IN CANADA MARY MYSTERIES VOLUME 1

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 58 pages. Dimensions: 8.5in. x 5.5in. x 0.1in. This is the story of three Grade 5 school kids who decide to form a club to solve mysteries after hearing a career day presentation by a city detective. The story is based in Brockville, Ontario, Canada so includes a little local geography and some Canadian history. An older boy in Grade 6 tries to bully them at every turn but is rehabilitated when accepted as a member of the club. Mary, the first President of the club, calls a meeting to get everything organized. The boys quickly learn how to submit motions (mostly by agreeing to Mary's leadership) and understand the reasons for following Roberts Rules for meetings. The story includes a fishing adventure, an introduction to the game of golf and discussions with a retired sea captain about mysteries of the sea. Finally, the young detectives get an assignment requiring investigation and an undercover lemonade stand. This item ships from La Vergne, TN. Paperback.
