## ON THE PHILOSOPHY OF THE MIND (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from On the Philosophy of the Mind The Philosophy of the Mind is of recent origin, and of slow growth. Its genuine materials are therefore very scanty. Most works upon the mind are chiefly occupied in refuting former errors, and these errors being derived from ancient theories, the true Philosophy of the Mind, though conducted on very different principles, still continues to be involved in some degree in the disputes of Metaphysics. A brief notice of the history of Speculative Opinions is therefore useful, both as indicating the sources of several errors which still prevail, and as accounting for the slight and partial attention which the genuine study of the subject has yet received. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
