THE CHURCH AND PUBLIC EDUCATION: TAKING BACK AMERICA: WHY CHRISTIANS SHOULD USE THE SCHOOLS AS A MISSION FIELD (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is for the members of the Christian church universal in the USA and intends to argue that the greatest and most important mission field is right here in the US public schools which houses over 50 million children. Virtually all of these children come from homes whose parents and guardians cannot afford to consider a private or church school. A call for missionary work must go out to get caring, loving people of faith in our classrooms to help guide young people to see truth, morality, and wisdom. Today more than ever, American children need adult mentors to show them what the Truth is. Church leaders are calling for members of their congregations to abandon the public schools as a lost cause. What is worse, they are also abandoning millions who have not had an opportunity to hear the Word of God or be exposed to Believers. This book reveals how a teacher is an amazing position of power and how an educator can be an influence for greater good.
