Reviews

Certainly, this is the finest job by any publisher. I was able to comprehend almost everything out of this published ebook. You won't truly feel monotony at any moment of the time (that's what catalogues are for concerning should you question me).

Human Kinetics Publishers, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. For people who have been diagnosed with a heart condition it is only natural that they are concerned about the future and seek reassurance and help after the initial treatment phase. The authors of The Healthy Heart Book have combined their backgrounds and extensive experience in physiotherapy and nutrition to provide this comprehensive guide to achieving a full recovery. The book covers the current recovery programme information given to patients and builds upon it to provide a thorough understanding of what to do and the reasons for doing it. Common medical terminology is broken down to help guide recovering patients through their recovery while exercises are presented in a straightforward, easy to follow format. It is a patients guide to achieving a full recovery after a heart attack.
