Reviews

This is actually the finest ebook we have go through until now. It is written in straightforward words and phrases instead of difficult to understand. It's been designed in a remarkably straightforward way and is particularly just following I finished reading through this book by which basically changed me, change the way in my opinion.

THE PENDRAGON PROTOCOL

Snowbooks Ltd, United Kingdom, 2014. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. The Circle are the modern-day successors of the Knights of the Round Table. Armed with the latest military hardware and operating from a hidden fortress on the South Bank, they protect 21st-century Britain from certain very specific threats - criminals who, like the Circle's own Knights, have characters from Arthurian legend living inside their heads. Jory Taylor, the Knight bearing the device of Sir Gawain, has grappled on the Circle's behalf with mercenaries, serial killers and far-right terrorist cells. However, when he is captured by Gawain's traditional enemy the Green Knight, he discovers a new side to the myths he lives by - one which, as he learns more about this clandestine world, becomes both threateningly personal and terrifyingly political. The legends of King Arthur are not the only stories with influence on the British psyche - and some of the others have their own, very different agendas. A smart, contemporary political thriller and a new kind of urban fantasy, The Pendragon Protocol is the first volume in The Devices Trilogy. Read more at.
