

## Imperium Volume 1

By Oliver Davenport

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 162 pages. Dimensions: 8.5in. x 5.5in. x 0.4in.This is the first book in my new series, mostly made up at the time, which seems to have worked surprisingly well. No, really, it is a quite decent book, and I dont say that much about anything of mine. Lots of unexpected twists and complex plot threads tangled around each other. But Im not about to tell you what happens. See what you think though. Read about an Empire in trouble, secret magicians, wars and battles, and a long search for seemingly normal random people, noone seems to know why, or even why they are bothering, but there may well be demons and more involved at some point. . . This item ships from La Vergne,TN. Paperback.
