Alfred Music, 2015. Paperback. Condition: New. Language: English . Brand New Book. Choo-Choo Boogie is a quick, energetic trio written in equal parts for students at the early intermediate level. There is a traditional boogie bass line, accentuated by staccatos. An abundance of harmonic seconds and thirds create the sound of a train whistle. Students and teachers will love this inventive piece and play it over and over again in lessons and recitals. A Federation Festivals 2016-2020 selection.
