THE CHAPERON (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. An old lady, in a high drawing-room, had had her chair moved close to the fire, where she sat knitting and warming her knees. She was dressed in deep mourning; her face had a faded nobleness, tempered, however, by the somewhat illiberal compression assumed by her lips in obedience to something that was passing in her mind. She was far from the lamp, but though her eyes were fixed upon her active needles she was not looking at them. What she really saw was quite another train of affairs. The room was spacious and dim; the thick London fog had oozed into it even through its superior defences. It was full of dusky, massive, valuable things. The old lady sat motionless save for the regularity of her clicking needles, which seemed as personal to her and as expressive as prolonged fingers. If she was thinking something out, she was thinking it thoroughly. When she looked up, on the entrance of a girl of twenty, it might have been guessed that the appearance of this young lady was not an interruption of her meditation, but rather a contribution to it. The young lady, who was charming to behold, was also in deep mourning, which had a freshness, if mourning can be fresh, an air of having been lately put on. She went straight to the bell beside the chimney-piece and pulled it, while in her other hand she held a sealed and directed letter.
