PRAYER: THE 100 HEAVYWEIGHT PRAYERS FOR WAR (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

No matter how much the majority of the mainstream media downplays the brutality of armed conflict-or, at least, tries to paint a different, more pleasant depiction of it-there is no denying the destruction, the loss of life, and the physical and emotional scars it leaves on those who have witnessed it up close. As such, even though many of the men and women in the armed forces are willing to serve their country by going to war in foreign lands, a considerable number are apprehensive about it, mainly because of their fear of losing their lives far from their homes and loved ones. For others, it is the fear of failing their comrades or failing to fulfill their duties that causes them to doubt their ability when the shooting starts. The 100 Heavyweight Prayers for War was written to help those who are to be sent to war, the key policy makers whose decisions determine the conduct of war, and the families left behind who have to endure the pain of being separated from their loved ones because of the war. This book does not promise victory-absolute or otherwise-nor does it guarantee that the outcome will be far less costly, but it does encourage those who read it to nonetheless entrust their hopes and fears to God, especially during this time of inevitable loss and suffering. Even scriptures can attest to that, as written in the Sixth Verse of the Thirty-First Chapter of the Book of Deuteronomy: Be strong and courageous, do not be afraid.for the Lord your God is the one who goes with you. He will not fail you or forsake you. Buy The 100 Heavyweight Prayers for War...
