WEAPONIZED (PAPERBACK)

Crypt TV, 2017. Paperback. Condition: New. Language: English . Brand New Book. Truog Island is a desolate place where sexual activity is outlawed. There lives Trip Yash, bored out of his mind. That was until he met Cron. After a night of passion, Cron disappears taking Trip s virginity with him. A few days later, Trip develops a rash on his hand that eventually blooms into a gun made from his own flesh. It s not long before Trip becomes a living weapon locked in a battle against an ancient virus that threatens to ruin his island home. As his body continues to change, terrifying forces emerge with the power to weaponize the dead. For fans of Clive Barker and David Cronenberg, Weaponized is a nerve-shattering exploration of sexual identity and people s strange relationship with tools of death. It is a Kafka-esque horror take on sexual orientation and sexually transmitted infections, and how we villainize those who are different.
