Xulon Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.To God be the glory, all of the glory. For God called me a foolish, weak, basic vessel to do His work. In Numbers 27:15-17 Moses said to the Lord, May the Lord, the God who gives breath to all living things appoint someone over this community to go out and come in before them, one who will lead them out and bring them in, so the Lord s people will not be like sheep without a shepherd. This book was written with my community in mind. My dream was to build a youth empowerment center to help better my community but I didn t have the money to do so. I then realized I didn t need money. What I needed and what my community was missing was God! If we applied God everything else would fall in place. For it says in Romans 8:28, and we know that God causes everything to work together for the good of those who loves God and are called according to His purposes. For the longest I ran from my purpose, but while on the run I got to know and understand the people that God is now using me to reach out to. Now I can better help my community and not only my community but through the power of God and His words I can help communities all over the world. I hope everyone get as much out of this book as I did. May God bless all those who read it.
