Tantor Media, Inc, United States, 2010. CD-Audio. Condition: New. Unabridged edition. Language: English . Brand New. I release you, Lenah Beadonte. Believe and be free. Those were the last words I could remember. When I awoke, I immediately felt a cold surface on my left cheek. An icy shiver rushed down my spine. Rhode! I screamed. He had to be here. There would be no world without Rhode. A door somewhere near me opened and closed. Rhode loomed over me, but he was a blur. Even in the haze of that moment, his icy-blue eyes pierced me, down to my soul. After centuries of terrorizing Europe, Lenah Beadonte, with the help of the handsome Rhode, has been able to realize the dream of all vampires-to be human again. Now, as a raven-haired sixteen-year-old, Lenah believes her greatest challenge is fitting in at her new school. But the challenges have only just begun. The vicious coven Lenah once ruled is threatening the new-found pleasures of her human life, including the one guy who makes her feel most alive: Justin. Can this ex-vamp survive in an alien time and place, or will her past come back to haunt her forever?.
