Wild Unicorn Books, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.North-lands spellcasters who reach too boldly for power transform into trolls-grotesque villains wielding a potent magic and destined for madness. Spanning the North-lands history, from ancient times to the pastoral present, A Knot of Trolls features seven such evildoers. Seven trolls and the ordinary youths called by chance or by destiny to take a stand. The Troll s Belt stars motherless Brys Arnsson, challenged as much by his own deceit as by his troll foe. Crossing the Naiad presents shepherd girl Kimmer with a dangerous tragedy from the distant past. Skies of Navarys follows two friends with a vehement difference, their contested decision to decide the fate of thousands. In Resonant Bronze Paitra and his brother struggle to claim appropriate guilt-neither too much nor too little-and thereby defeat a troll warlord. Rainbow s Lodestone offers the spirit of the rainbow a chance to learn that the smallest places birth freedom. Star-drake stalks a pitiless troll-herald to defeat-or is it victory?-utterly unforeseen. And in Perilous Chance young Clary needs a miracle. But her miracle-when it comes-sports razor-sharp talons, world-shaking power, and a troll-witch to guard its sleep. Seven tales of magic balance death and destruction against destiny and hope. PRAISE FOR J.M. NEY-GRIMM It s no secret.that I have favourite writers. J.M. Ney-Grimm is one of them, and with good reason - her writing style is unique, and engrossing. -James J. Parsons, Speaking to the Eyes . .Ney-Grimm paints a vivid, lush picture worthy of the Peter Jackson treatment. -D.J. Gelner, Amazon . .the world depicted is magical, but the people are very real. -M.A. Dunn, Smashwords Her work compares favorably with Robin McKinley and Patricia McKillip.I m really pleased to have discovered her!...
