Discover your sixth sense through this new edition, the book that launched the SETH series. Inside each of us is a sixth sense-a heightened perceptual power-ready to be awakened. Learn how to tap into this power, and gain information on dream control, telepathy, seances, predictions for the future, and true stories of reincarnation. Filled with fascinating testimonies that demonstrate there is life after death, we meet Seth, the being beyond this world who comes to us through Jane Roberts to disentangle concepts, unravel them, in order to explain them. Seth says, By now it should be obvious to you that you perceive only a small portion of reality; indeed, that your idea of reality is formed and limited by your perceptions. As you dig deeper into yourself, you will find other realities.
