

## A Reasonable Public Servant: Constitutional Foundations of Administrative Conduct in the United States

Filesize: 6.56 MB

### **Reviews**

*It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Taylor Francis Inc, United States, 2005. Paperback. Book Condition: New. New.. 221 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.An essential text for PA courses on Human Resource Management as well as Public Management and Law, this book illuminates the role of the reasonable public servant, who strives to perform authorized functions efficiently, yet in a manner that aligns with constitutional values embodied in the Bill of Rights. A Reasonable Public Servant provides a comprehensive review of Supreme Court opinions in explaining the reasonable conduct of a public servant and the development of clearly established constitutional and statutory rights that a reasonable public servant is expected to observe: property rights; procedural due process; freedom of critical speech; privacy; equal protection; and anti-discrimination laws. The author relies on the Court s opinions as the exemplar of public reason, and pays close attention to the manner in which the Court balances among competing value priorities - for example, the rights of a public servant as an employee as well as an individual citizen, and the efficiency needs of the government as an employer as well as a sovereign state. This book s detailed appendices include the U.S. Constitution, the Bill of Rights, and Title VII of the Civil Rights Act of 1964.
