The Automation Vol. 1 of the Circo del Herrero Series Volume 1

By B. L. A.

S.O.B. Publishing. Paperback. Condition: New. 376 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. The capital-A Automaton of Greco-Roman myth arent clockwork. Their design is much more divine. Theyre more intricate than robots or androids or anything else mortal humans could invent. Their windup keys are their human Masters. They arent mindless; they have infinite storage space. And, because they have more than one form, theyre more versatile and portable than, say, your cell phone and much more useful too. The only thing these god-forged beings share in common with those lowercase-A automatons is their pre-programmed existence. They have a function a function their creator put into place a function that was questionable from the start Odys (no, not short for Odysseus, thank you) finds his hermetic lifestyle falling apart after a stranger commits suicide to free his soul-attached Automaton slave. The humanoid Automaton uses Odys soul to reactivate herself. Odys must learn to accept that the female Automaton is an extension of his body that they are the same person and that her creator-god is forging a new purpose for all with Automaton. The novel calls itself a Prose Epic, but is otherwise a purposeful implosion of literary clichs and gimmicks: A Narrator and an Editor...

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Mrs. Josiane Collins

This ebook will not be simple to start on reading but very fun to learn. It generally is not going to expense too much. I am very happy to explain how this is the finest book i have read in my very own existence and can be he finest pdf for at any time.
