

Tranceformers: Shamans of the 21st Century (Paperback)

By John Jay Harper

Reality Entertainment, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Tranceformers: Shamans of the 21st Century is the true story of this author s contact with a dead physicist colleague, and the telepathic communication that forced him to seek scientific answers to spiritual questions such as these classics: Who are we? Why are we here? Where are we going? For more than a decade, Harper embarked on a spiritual quest of careful reflection and methodical research in abnormal physics and paranormal psychology, as he says. This headstrong but heartfelt effort would plunge Harper into the depths of despair and then lift him up to the heights of ecstasy over and over again as he produced an inspired synthesis of great ideas of all ages from cream-of-the-crop scientists and spiritualists. In this unique book, Harper offers comfort far from the simplistic optimism of New Age writers through a deep sense of knowing, and that becomes obvious in the preface itself; yet his truth rings true from the first page to the last one. He never loses sight of his objective either, explaining how the mystical experience of every culture is an initiation into...
