Ain t Gotta Be the Way It s Always Been (Paperback)

By Robert L H O Connor

Eyesign Publishing, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Ain t Gotta Be the Way It s Always Been is a story describing a son and grandsons personal and family growth in understanding priorities that matter from a patient grandfather while on a backpacking adventure. The reader will be introduced to the Values-Beliefs Model, the FIRE Principle, and the Priority Assistant as well as other concepts and principles related to growth, achievement and finding a sense of fulfillment. The tools and principles apply to personal, family, as well as business and organizational growth and development. The Ain t Gotta Be story tells of a grandfather who reaches out to his son and grandson to develop a closer relationship. Having back packed into a remote alpine wilderness, the two younger members of the family learn that fishing is different from catching. Through a series of events, which include the discovery and truth behind the mysterious Legend of Paradise Winter, the grandfather has a chance to share and teach principles and concepts of growth as well as share some tools, one of which impacts a major career decision that faces his son....

Reviews

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
