VINTAGE, United States, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The true story of a lost dog s journey and a family s furious search to find him before it is too late. October 10, 1998. Fielding Marshall is hiking on the Appalachian Trail. His beloved dog--a six-year-old golden retriever mix named Gonker--bolts into the woods. Just like that, he s vanished. And Gonker has Addison s disease. If he s not found in twenty-three days, he will die. Dog Gone is the story of the Marshall family--Fielding and his parents, John and Virginia--and their epic hunt to track down Gonker. As their search continues, covered by news outlets and drawing in the community at large, old wounds reemerge, threatening to undo the Marshalls. Suspenseful, heartbreaking, and ultimately life-affirming, Dog Gone is a true story about the way heroism can assert itself in the little things we do each day.
