Reviews

This type of book is every thing and made me seeking forward and more. It is amongst the most awesome publication we have go through. Its been developed in an exceptionally straightforward way and it is only soon after i finished reading this ebook by which actually altered me, alter the way i believe.

Penguin Putnam Inc, United States, 2017. Paperback. Condition: New. Daniel Salmieri (illustrator). Language: Spanish . Brand New Book. Si quieres ser amigo con un dragon, los tacos son la clave. Todo el mundo sabe que solo hay una cosa que a los dragones les gusta mas que las fiestas y los tacos y es una fiesta de tacos. Pero hay algunos detalles que hay que tener en cuenta si das una fiesta de tacos: a los dragones les encantan los tacos de pollo, los de carne, los tacos gigantes y los pequenitos. Para decidir cuantos tacos vas a necesitar para la fiesta, llena un barco de tacos y esa sera la cantidad adecuada. Pero ten muy presente que no debe haber ninguna salsa picante, porque, si no, la cosa se pone verdaderamente en llamas! Everyone knows that there is only one thing that dragons like more than parties and tacos and it is a party of tacos. But there are some details to keep in mind if you give a party of tacos: dragons love chicken tacos, meat tacos, giant tacos and little ones. To decide how many tacos you will need for the party, fill a boat with tacos and that will be the right amount. But keep in mind that there should not be any hot sauce, because otherwise the thing is really on fire! The award-winning team behind Those Darn Squirrels! has created an unforgettable, laugh-until-salsa-comes-out-of-your-nose tale of new friends and the perfect snack. * Off-kilter fun for those who like their picture books (and salsa) zesty and fresh. -- Publishers Weekly, starred review.
