Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The coloring book, I AM SAFE, has pleasant, cheerful pictures and begins with safety tips children are already comfortable and familiar with, such as fire safety or bike safety. It moves into healthy ways to express the concepts of good touch/bad touch, what to do if an adult gives them a present to keep a bad secret, etc. As a child goes through the book, it presents protective concepts in the same way for abuse as it does for fire safety, helping the child learn without being frightened. Most importantly, along with the coloring book comes a parent/teacher/advocate companion. This companion book has smaller versions of the same pictures, so an adult can color along with the child, creating a comforting setting rather than a We need to talk discussion setting. The adult version has additional information that can be adapted to the child's age and level of understanding, including statistics, questions to ask, and some great ideas, such as a family password. I AM SAFE is created for advocacy groups, churches, schools, and homes - appropriate for children in sheltered environments as well as children overcoming past abuse.
