Brand New Book ***** Print on Demand *****.A Christian school, of all places, should be a setting where Christian students should not have their faith attacked. Yet year by year, students enter classrooms where the teachings of the Bible and its trustworthiness will be denied by professors who call themselves Christians. Many students have their guard down, not expecting such opposition in such a place. This book seeks to give simple and straightforward warning, counsel, and encouragement to such students to trust Christ and His Word and keep the faith in their studies at a Christian college, university, or seminary. Edition 1.1. ENDORSEMENTS OF KEEPING THE FAITH IN A CHRISTIAN COLLEGE: Many of the baby boomer generation did not attend college. With the increase in availability and opportunity, they have encouraged their children to go to college. Those parents from an Evangelical Christian background viewed a Christian college as a bonus and sent many of their children there. Unfortunately, some of these college students quickly learned that what they knew as Christian and what the school called Christian were two different ideas. In this book, Doug Smith equips students and parents to enter college, especially Christian colleges, with both eyes wide open. He writes from first-hand experience to guard future college students against the snares he encountered. I would highly recommend this resource to all parents and high school students who are considering a Christian college. - Josh Davis, Youth and Assistant Pastor, Antioch Baptist Church, Bristol, Virginia You head excitedly to a Christian college as a young ministerial student to learn more about the Bible in hopes of getting better trained to preach and teach God's Word. But the sacred Book you ve...
