Mondial, United States, 2007. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.The book Prometheus Illbound is one of the most characteristic books of Andre Gide: a work of pure intellectual fantasy, where the subtle brain of the author has full play. It is the expression of the humorous side of a mind which must be ranked among the greatest of the world's literature. The work of art is the exaggeration of an idea, says Gide in the epilogue of Prometheus Illbound. This is really the explanation of the whole book and of many other books of Gide. --- Andre Paul Guillaume Gide (1869-1951) was a French author and winner of the Nobel Prize in literature in 1947. His other works include: Les Caves du Vatican (Lafcadio's Adventures), Les Nourritures Terrestres (Fruits of the Earth), La Porte Etroite (Strait is the Gate), L Immoraliste (The Immoralist) and many others.
