

O Polichinelo: Sheet

By -

Alfred Music, 1987. Sheet music. Condition: New. Language: English . Brand New Book. This very lively little piece is an excerpt from the great South American composer's Prole do Bebe suite, which contains musical descriptions of a baby's dolls, including Polichinelo who is a traditional puppet (Punch) that is full of zany antics. This is a popular encore piece for concert performers, played sometimes so quickly as to seem almost a blur.
