Xlibris Corporation. Paperback. Condition: New. 378 pages. Dimensions: 8.4in. x 5.5in. x 1.1in. We are at war. We've been in WWII for many decades now. We have been systematically targeted on different fronts and locations. Alas, my beloved America has not recognized it yet. This war is aimed at you, your family, your country, and at Western civilization as a whole. The name of your enemy is Soviet Fascism. To survive and win the war, awareness and knowledge about the enemy is imperative. This nonfiction work chronicles the development of world politics in the twentieth and twenty-first centuries. Discover the single driving force behind today's threat of global terrorism. Learn why the 9/11 attack was just one link in a long chain of battles against Western civilization and how Islam and oil are being used as weapons by a very determined enemy that is fighting for world domination. The author sets the stage with first-hand narrative from her unique and horrifying experiences as a child in Russia. Then, she demonstrates how a global war set in motion nearly a century ago continues to pose the largest and most imminent threat to the United States and the world. Decide for yourself once you have seen Ms. Pipkos' evidence ranging from Russia's aggressive foreign policy and growing intelligence apparatus to infiltration into foreign governments, businesses, and institutions, including UN. What is Happening to America: The Hidden Truth of Global Destruction is Ms. Pipkos' third book. It continues exposing the roots of modern terrorism, its ideology and modus operandi. The book is a profound contribution of first-hand experience and information, which brings to light the as-yet uncovered truth about Russia and its role in the ongoing global strife we see every day. With Simona Pipkos' heartfelt voice, this...
