There is joy in every moment of life when you hear only the melody of divine love. Throughout her life s personal and spiritual journey, author Maryam Saligheh has found the dimension of the Beyond to be the basis of all that exists. Building on this foundation, she developed the concept of the intercorrelation between the Beyond, eternity, and infinity. Beyond considers the quest of the soul within as it seeks to reunite with the infinite you at the core of its being. As a result of this reunion, the soul gains the knowledge that it is an evolving life, flowing in the atmosphere of eternity and climbing the ladder of infinity. Saligheh emphasizes the growth of the soul through the tunnel of expansion from the dense cloud that is ego s field of energy to higher realms--love, well-being, oneness, the infinite you, God, and ultimately the Beyond, where our true origins begin. This guide depicts the inner journey of the human soul and its evolution, offering ways for you to shift your life in the direction of your dreams and desires.
