Reviews

Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Walter s Leadership Guide: Why Good Leadership Starts with Self-Leadership (Series Training and Consulting, Vol. 2) -2017 Revised, Updated and Reformatted Edition-presents a novel approach to understanding and training the new servant leadership approach for top and middle management audiences. This guide to servant leadership addresses college students who are looking for a way to prepare for their upcoming exposure to the corporate environment. Many of the ideas the author comes up with in this guide are non-standard, and the result of his own creative thinking. The author s approach is original in the sense that he has enriched and transformed the traditional leadership paradigm through basic elements of timeless wisdom, taken from Zen and the I Ching, thereby expanding the paradigm beyond the borders of the strictly Western corporate culture, adapting it for international, and particularly, Asian audiences. This book doesn t offer quick fixes for developing leadership skills. It presents an approach to raise the awareness level of the whole of the person. The author contends that leaders must develop not only values like integrity and accountability, but must also expand their critical thinking ability, which is one quality of several for becoming accountable as a leader in the corporate or political world. To be critical means to question tradition and authority, in the first place; it means to look for realizing our personal style and cognitive preferences and to activate our heart, which according to newest HeartMath(R) research is essentially contributing to the sharpness of our cognitive apparatus, and thus a factor for right decision-making. The main focus of the guide is upon developing the broad-mindedness and the human qualities that make a servant leader being...
