How did they understand its often strange and bewildering symbols? The answer is surprisingly simple: they used the Bible to interpret the Bible. Modern scholars have long noted the similarities between the images of Revelation and those found elsewhere in the Bible. But rarely has this been used as a method to interpret Revelation s meaning. By reviving this ancient method, Pastor Jeff Harrison brings clarity to John s visions, and makes their message make sense to us today. Harrison claims no privileged knowledge of the future, but restricts himself to the text of the Bible in the original languages, Jewish culture and religion, and well-known facts of history. The message that emerges is a challenging one, encouraging Christians to faithfulness and devotion in these dangerous last days. The Revelation of Jesus Christ to John is one of Pastor Harrison s most popular seminars. It has been presented to thousands of students over many years in the U.S., Canada, the Philippines, and Taiwan. It reflects his study with some of the top Israeli archeologists and Christian scholars in Jerusalem, and is enriched by his years as a study tour teacher in Israel.
