Reviews

A brand new e book with a new perspective. I could comprehend every little thing using this written e publication. I am quickly will get a satisfaction of reading through a written ebook.

(Clemmie Rolfson)

THERE S A HAIR IN MY DIRT!: A WORM S STORY (PAPERBACK)

HarperCollins Publishers Inc, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Once upon a time in a place far away, lived a man named Gary Larson who used to draw cartoons. It was a cartoon that appeared for many years in daily newspapers and was loved by millions. (And was confusing to millions more.) But one day he stopped. Gary went into hiding. He made a couple short films. He played his guitar. He threw sticks for his dogs. They threw some back. Yet Gary was restless. He couldn t sleep nights. Something haunted him. (Besides Gramps.) Something that would return him to his roots in biology, drawing and dementia--a tale called There s a Hair in My Dirt! A Worm s Story. It begins a few inches underground, when a young worm, during a typical family dinner, discovers there s a hair in his plate of dirt. He becomes rather upset, not just about his tainted meal but about his entire miserable, wormy life. This, in turn, spurs his father to tell him a story--a story to inspire the children of invertebrates everywhere. And so Father Worm describes the saga of a fair young maiden and her adventuresome stroll through her favorite forest, a perambulator s paradise. It is a journey filled with mystery and magic. Or so she thinks. Which is all we ll say for now. What exactly does the maiden encounter? Does Son Worm learn a lesson? More important, does he eat his plate of fresh dirt? Well, you ll have to read to find out, but let s just say the answers are right under your feet. Written and illustrated in a children s storybook style, There s a Hair in My Dirt! A Worm s Story is a twisted take...
