Craftsman Book Company. Paperback / softback. Book Condition: new. BRAND NEW, Electrician's Exam Preparation Guide: Based on the 1999 NEC (4th), John E Traister, If you're getting ready to take the electrician's exam and drowning in pages of tables, rules and exceptions, here's the book you need! It's based on actual exam questions taken from tests administered across the U.S. over the last few years. Here you have almost a thousand multiple-choice questions -- exactly the type of questions that will be on your exam. The correct answer is printed just below the question. Each chapter begins with a basic explanation of a topic. Then you get dozens of questions on that subject to test your understanding. Every topic is covered clearly and thoroughly. When you can answer all the questions in this exam book, taking the actual test on exam day should be a breeze! If you haven't applied to take the exam yet, one section of this book explains how to get your license: where to get the application forms, how to study, and just what to expect on examination day. A complete sample electrician's exam and answer sheet are provided so you can simulate exam conditions in your own home.
