Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Guide to the Use of Libraries: A Manual for College and University Students This manual is intended to serve as a textbook and basis for problems in the course on the use of books and libraries as given at the University of Illinois for freshmen and sophomores. It is, in its present form, a development from outlines and lecture notes used in this course for a number of years past. Although there are several excellent textbooks on library practices already published, none seem to meet the needs of a course for college underclassmen, in which weekly problems are assigned to be worked out by the student. This book lays no claims to originality, nor does it contain anything for the trained librarian or scholar. It seems justified, however, because its use will leave free for recitation and discussion the part of the class period formerly consumed by the students in detailed note-taking from lectures. The course for which this manual has been prepared was started at the University of Illinois in the fall of 1898...
