Limelight Editions, United States, 2011. Paperback. Book Condition: New. 160 x 119 mm. Language: English . Brand New Book. (Music On Filments). In 1973, Cabaret walked away with eight Academy Awards, including gold statues for director Bob Fosse and for its stars, Liza Minnelli and Joel Grey. Based on the long-running Broadway musical, with a memorable score by John Kander and Fred Ebb, Cabaret is a landmark film that broke new cinematic ground by revolutionizing the Hollywood musical through its treatment of adult themes and art house sensibility. With an introduction by Joel Grey, the book chronicles the history of Cabaret, from Christopher Isherwood's Berlin Stories to the stage and film versions of John van Druten's play I Am a Camera, through the adaptation of the hit Broadway musical for the big screen. Readers will get an insider's look into the making of the film, the creative talent in front of the camera and behind the scenes, and why this divinely decadent musical continues to captivate audiences.
