Brand New Book ***** Print on Demand *****.Adrianna attempts to seduce Victor into using his uncanny hacking skills to help spark a revolution against the country where he was born and raised. will Victor succumb to her advances or will he risk his life and that of his star student to deny them access to the perfect virus? FORGOTTEN COLONY, is the story of Victor Santos, a young man of Puerto Rican decent who grew up in Brooklyn, NY. After getting into trouble for hacking into government computers in New York he returns to Puerto Rico as a High School Computer teacher. He is actively trying to stay out of trouble. In his efforts to protect one of his students, he is unwillingly pulled into an uprising of a rebellious group on the island informally known as The Macheteros. During his recruitment, Victor falls in love with their leader Adrianna Carrion. She tries to convince him to complete the code for a virus that will give the rebellion the leverage it needs to demand liberty from the United States of America. Can Victor sympathize with the cause of a revolution 30 years in the making or does he risk his life and use his skills to help stop the revolution before it even begins?.
