In Viku to the Rescue, Viku rescues his friend from elephant-catchers by sheer perseverance and his intimate knowledge of the forest. These Viku stories tell us about life in another culture. This book works well as a read aloud story for young children, is suitable for early readers (2nd and 3rd grades), and is an excellent chapter book for 4th and 5th graders. Praise from Librarians and National Award Winning Teachers! loved Viku to the Rescue even more than the first book, Viku and the Elephant! I so identified with Viku wanting to save his friend and the obstacles he encountered....
