Balboa Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is a symphony of harmonized thoughts for the express dissemination of both tangibles and intangibles, in the sense of aversion and gaining contentment of the mind; of the heart. Auspicious gathering and meeting of minds, reader and author, for the expressed consent to nurture; to heal; to begin. Miscommunication can bring assiduous affairs and tranquilized enticements. The promotion of identity at the expense of rigorous prosecution. Systematic dissonance versus righteous concordance. A look into the mind of the inspired and the aspiring. A side note to jurisprudence, a detailed caption of the hearing. The trial in every one's life; their remote time of incoherence under the pursuant....
