Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.According to Pastor John Hagee , the word Covenant is perhaps the most important word in the Bible. He described it as the soil which allows the flowers to grow and then blossom. The word, itself appears in the Bible over 321 times. It is because of covenant that God has allowed sacred documents from the Bible, such as the Ten Commandments which is considered the most hallowed document in the history of the world to endure throughout generations. Even the Lord s Prayer and the 23rd Psalm are quoted in millions of households across the planet as families speak covenant blessings that are based upon what is perhaps the most important term in the Bible. Although it is not highlighted as it should be, the Bible, which is the Book of Covenant, has remained the number one selling book in the world for centuries. Because God desires that each generation have access to His will, this Book of Covenant has no competitors when it comes to sells and purchases. Over 500 million have been sold over the last ten years. According to a Fox news report from Lauren Green in 2012, The good news about the Good Book is that it s still the No. 1 seller of all times, with an estimated 6 billion copies sold. Remember what Jesus declared, Heaven and earth will pass away but my words will remain. This promise is fulfilled as part of the covenant. Allow this Covenant Keepers Study Manual to quiz your knowledge on this subject.
