FINGERPRINTS: (SAXOPHONE) (PAPERBACK)

Faber Music Ltd, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. Expand your musical scope and your performance repertoire in new worlds of expression with a special selection of 14 contemporary works, all written by some of today's celebrated composers. Here's your chance to learn some music by real, living composers - not just those only known by their surnames who died long ago! The musical styles are diverse and exciting, from elements of ragtime and dance to a sombre and gently sad melody, and each piece features a full piano accompaniment. Perhaps you might even be inspired to start composing some new music of your own!.
