

God Knows: A Conversation about Belief, Religion and the Existence of God (Paperback)

By Doug Harris, Ian Hewitt

Ordinary Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What began as a late night discussion between a Christian and a Humanist, evolved to become an attempt to reconcile their differing beliefs. When that didn't work the writers took the discussion into deeper waters. It was clear that the friends would never agree. but could they offer up an explanation of what they did believe, and would that withstand cross-examination from the other? God Knows offers both points of view in a single collaboration. This book mirrors other conversations that bridge the gap between believer and free thinker: but the humor, irreverence, confrontation and honesty allows the conversation to be instructive to both sides alike. In the end, the writers found that their common bond of humanity allowed for a respectful and thoughtful disagreement; that they shared much more in common than not.
