

Robert Jacobson s People: Angels from the Darkness (Paperback)

By L Egelnikov

Outskirts Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.TOO MUCH EVIL IS BAD FOR BUSINESS. My name is Sissey Monroe Blaine. I am married to a man who goes by several names: Harper, Blaine, Smith. I have no idea what name he was born with. To me, it does not matter what name he uses. These are the stories of my family. None of us are related by blood-only by the customs of loyalty and trust. All the members of my family have one thing in common, we don t like or trust any authority. We trust only each other. My family is what the psychologists call dyssocial. That is, we live by a set of values that are not shared by the rest of society. Since our encounters with authority are usually confrontational, it is necessary for us that each event is remembered exactly as it happened. Every conversation and event is as it occurred. This book has many of my family s stories as they were told to me, and I lived some of them. It is a privilege, recording their lives. I have not changed their words.
