

## It s Not That Complex!: How You Can Help Bring Common Sense Back to Our Society Government!

By Phil Yoder

Icom Multimedia, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The purpose in writing It s NOT That Complex is based on the belief that Americans are abandoning their innate ability to form common-sense opinions and act on them as opposed to accepting popular perspectives from the media or others in their social or business circles. This abandonment is subtle and regularly defended because it requires a certain amount of effort to step back, analyze issues, identify the real problems and simplify discussions. All too often we watch others debate symptoms and never insist on discussing the underlying problem(s). We passively accept the analysis of others and retreat into a zone of denial, believing that things can t be that bad . We continue to live comfortably without understanding that a new level of proactive, vocal participation is necessary! With the ever increasing number of information sources confronting us each day, determining which ones are credible and which ones are downright misleading can be an overwhelming task. Combined with the pressures of everyday tasks and responsibilities, it is far too easy to form beliefs and opinions without...
