**MARX FOR OUR TIMES: ADVENTURES AND MISADVENTURES OF A CRITIQUE (PAPERBACK)****DOWNLOAD**

Verso Books, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. This title presents a brilliant defense of the continuing relevance of Marx s thought for understanding today s global political economy. The French philosopher Daniel Bensaid shows that Marx s critique of political economy encompassed three great critiques of the scientific and political canons of its age - historical reason, sociological rationality and scientific positivism. We find here a post-postmodern Marx , inhabiting a contemporary world replete with contingency, crisis and contradiction - ensuring that this nineteenth-century thinker is relevant to the twenty-first century of global capitalism.
