Reviews

It is just one of the best ebooks. I was able to comprehend everything out of this composed pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

TechScribes, Incorporated. Paperback. Book Condition: New. Paperback. 64 pages. Dimensions: 8.0in. x 5.0in. x 0.1in. This charming and humorous little book relates the adventures of Marshall Trieber, a young scholar from Arkansas, as a misfit in the US Army of post-World War II occupied Japan. After a spectacularly non-standard performance as a clerk in a repair unit, Marshall was reassigned to Military Intelligence. There, at the age of 19, he became the co-founder and assistant principal of a new school for American dependents. Marshall's new role saw him dealing with unexpected translations, semi-reformed swindlers, teachers juggling multiple wives, and the acquisition of unauthorized supplies, all set against the backdrop of an Eastern society struggling to adopt Western ways. It is a fascinating tale of a forgotten era that still resonates today. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
